

PARKFIELD  
HOUSE  
NURSING HOME

NURSING | RESIDENTIAL | DEMENTIA | RESPITE CARE

## WELCOME TO PARKFIELD HOUSE

**Situated in the tranquil residential setting of Hillingdon, West London, Parkfield House Nursing Home offers Residential, Nursing, Dementia and Respite care, personalised to the needs of each individual resident, 24 hours a day.**

Blending the timeless charm of our listed building with thoughtfully modern facilities, our home is designed to provide both elegance and comfort.

A thoughtfully-planned, varied activities programme ensures residents are supported to live each day to the full, with lots of opportunities to socialise, continue much-loved hobbies, try something new or enjoy an exciting outing locally or further afield.

Residents enjoy freshly prepared, delicious meals served in an elegant and welcoming dining room. We are proud to offer a varied, nutritious menu, tailored to individual preferences and dietary needs.

Our 39 comfortable bedrooms are designed to create a warm and welcoming atmosphere that feels just like home, with floors dedicated to nursing, dementia and bespoke palliative care. Our palliative unit works closely with Harlington Hospice and the Hillingdon Palliative Community Team to provide compassionate end-of-life care.

Where available, private en-suite or accessible bathrooms provide added independence and convenience, while rooms are furnished with high-quality pieces including electric profiling beds and cosy armchairs. A nurse call system ensures prompt assistance whenever needed.

## A WARM WELCOME AWAITS

Internally, residents can enjoy a choice of shared lounges for relaxation. Our secure and well-maintained outdoor area is the perfect space for residents and their families to enjoy fresh air, spend time with visitors, or relax safely. The benefits of group living, in the knowledge that care and support is always on hand, mean that every day can be enjoyed to the full at Parkfield House.

*We look forward to welcoming you*
